

Go Tell it On the Mountain (Easter)

© Daniel J. Harrison, 2023

Tune: *GO TELL IT*

1: While soldiers stood by watching
The Rome-sealed stone by night
They felt th'angelic quaking
Collapsing at his might

Refrain: Go, tell it on the mountain
Lift up a shout of hallelujah!
Go, tell it on the mountain
That Jesus is alive!

2: The women told, "Do not fear"
As they walked in the tomb
Spoke angels, "He is not here"
The gard'ner they presumed

3: With his own eyes ran Peter
To see where Christ was laid
Receive the living water
By faith this Easter Day

4: Jesus, o'er death, victorious
Eternal life conferred
May our feet be as glorious
To carry this Good Word
