Tune: *ST LEONARDS*

1: Through creation God has spoken of his rev'latory pow'r
So that we ourselves may come to him in ev'ry hour

2: Spirit guided scribes to write suf-ficient words to live by faith
May we trust not our corrupt heart, only what he saith

Key Change

3: Prophets told of one Redeemer who would gather all his lost
Only could his holy nature pay so high our cost

4: Nations raging, kings conspiring to remove from Christ all breath
In our place our Jesus died, he took our curse to death

Key Change

5: But the Father resurrected Jesus his Anointed Son
We must tell the world this news: the battle he has won

6: Righteousness, to all, is granted who have put their faith in Christ
Marv'lous grace, he counts to you, not holding sin against

Key Change

7: O, to hear the sound of trumpets on that wondrous Day to come
Changed in glory, finished story, then new creation

Key Change

8: Father, Son, and Holy Spirit give assurance by this word:
Saved by grace through faith in Christ to glorify our LORD!
